Thank you for your business

Refunds — Upfront Fees are refundable only within 30 days of your initial purchase. We strongly encourage our customers to utilize fully our products and services in the first 30 days following their purchase to determine if they wish to remain a client of 1-800Accountant and activate their Subscription

Service. We accept refund requests ONLY by written notice via email to billing@1800accountant.com. All refunds will be made using the same form of payment used to pay the fees: if you paid via credit card, any refund will be credited to you the next monthly billing cycle following receipt of your cancellation notice.

To be clear, we will not provide a refund of Upfront Fees after 30 days.

Cancellations — Many of our products and services are sold on a subscription basis, which you may cancel at any time. We accept cancellation requests ONLY by written notice via email to billing@1800accountant.com. Cancellation will become effective as of the next monthly billing cycle following receipt. Monthly / quarterly subscription fees are non-refundable prior to cancellation, and are NOT pro-rated for partial months. If you have paid any Subscription Fees your Subscription Services will be considered activated. If you have activated the Subscription Services, you acknowledge that we will retain the initial Upfront Fees and charges.
